

# Bee City

**On August 15, 2016 the Town of Scottsville became the first official *Bee City USA* in the Commonwealth of Virginia**

Scottsville is committed to providing and promoting healthy, sustainable habitats for bees and other pollinators. For more information, you may [read our resolution](#).

This would not be possible without the amazing [Scottsville Supply Company](#) and their tireless efforts to assist the town with this project and bringing pollination issues to the forefront.

The [Scottsville Center for Arts and Nature](#) serves as the non-profit facilitator for 'Bee City USA' and the Town. Their Hardware Street property now includes a budding *apiary*, or collection of bee hives, and serves as an outdoor classroom.
