"ACFR Issues Burn Advisory

Don't Rush to Burn - Wait for Safer Burning Days

Effective November 7, 2023, at 8 am, Albemarle County Fire Rescue (ACFR) has issued a countywide burn advisory. This decision follows increased drought conditions in our area and potential impacts from the wildfire currently burning in Madison County. "

Town of Scottsville request that you read more about best practices during the burn advisory at the Albemarle County [website](#).
